## ERS RECB SD

Art.-Nr.: 10.02.03.00422

ERS RECB SD

### Technical data

| Attribute                                    | Value                           |
|----------------------------------------------|---------------------------------|
| Pressure range (operating pressure)<br>[bar] | bar                             |
| Operating temperature                        | °C                              |
| Utilization design                           | Pneumatic vacuum generator RECB |
| contains                                     | Silencer                        |
| and                                          | Screws                          |

### Design data

| Attribute | Value |
